## BASE CAMP

PRO SERIES™

**Field-Tested by Professional Outfitters**

### Dedicated To The Great Outdoors

America's history is rich with tales of adventurers, mountain men and explorers who depended on their base camps for their very survival.

Now, Mr. Heater brings the outdoor heritage of the past to the camps and cabins of today, with BaseCamp Pro Series, a line of rugged equipment designed for the great outdoors.

To assure performance and reliability, these products are field-tested by professional outfitters and serious sportsmen under the most challenging conditions.

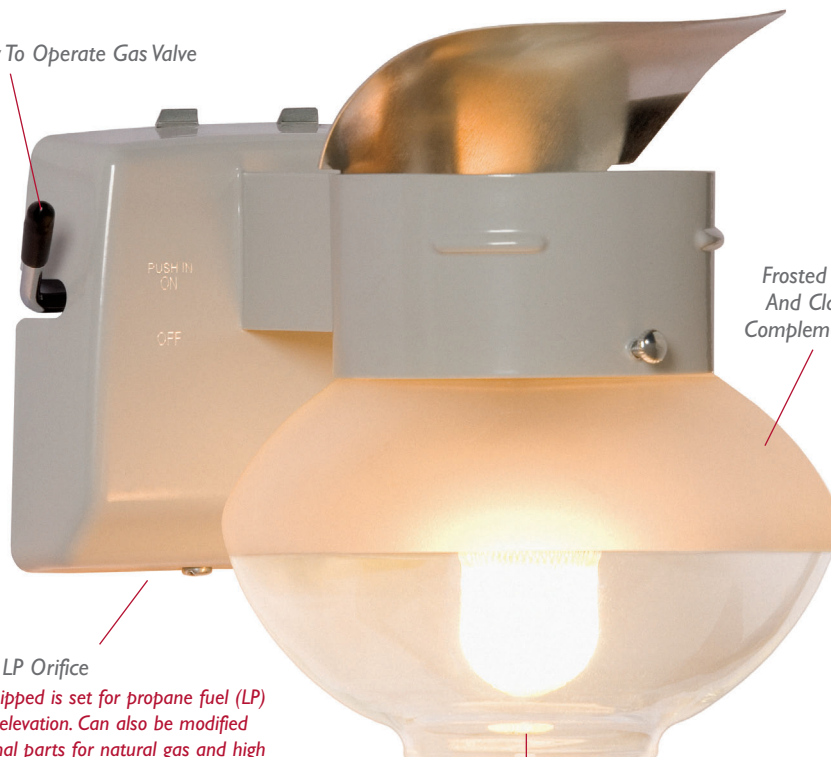

Whether it's deep wilderness camping, or just a weekend at the lake, Mr. Heater's BaseCamp Pro Series gear is the brand to own for dependability backed by great customer service.

## Dependable Light Without Electricity!

Mr. Heater's BaseCamp Pro Series™ Indoor Propane Gaslight is the perfect dependable light source for cabins, lodges, sheds, barns, RVs and campers. No wicks to trim, no fuel to spill and no batteries to replace. Classic design complements any decor and is easy to install.

- Easy to light
- Provides as much light as a 70-watt bulb
- Operates without electricity or batteries
- 11 hours of light per pound of propane
- Consumes approximately 2,000 BTU/HR
- Limited 1-year warranty
- Available in two finishes
